## CALIFORNIA HIGH-SPEED RAIL AUTHORITY

**City of Millbrae  
High-Speed Rail Project Information Meeting  
Wednesday, February 25, 2009  
Chetcuti Community Room  
450 Poplar Avenue - Millbrae  
7:00 – 9:00 pm**

In a follow up to the recent San Francisco to San Jose High-Speed Train (HST) Project Environmental Impact Report/Environmental Impact Statement (EIR/EIS) public scoping meetings conducted in San Mateo County in late-January, the California High-Speed Rail Authority (Authority) is holding a HST project information meeting at the preferred station location of Millbrae to take comments and assess the benefits associated with having a station in the city.

The public information meeting will provide the same information presented by the Authority at the scoping meetings held in San Mateo, San Francisco and Santa Clara counties in late January. The format of the meeting will include an overview presentation, informational materials, and project exhibit boards. Project staff will also be available during the evening to respond to inquiries and collect public comments. Comments regarding the HST project and the station location will be subject to the same requirements as the other scoping meeting comments whereby any written comments must be submitted to the Authority by April 6<sup>th</sup>, 2009.

Public feedback regarding the HST Project can also be directed to the Authority by email (*Subject Line: "San Francisco to San Jose HST" at: [comments@hsr.ca.gov](mailto:comments@hsr.ca.gov)*) and transmitted in writing to the Authority (*Mr. Dan Leavitt, Deputy Director, ATTN: San Francisco to San Jose HST Project EIR/EIS, California High-Speed Rail Authority, 925 L Street, Suite 1425, Sacramento, CA 95814*) until the close of comments on April 6<sup>th</sup>, 2009.

For additional information regarding the meeting, please call the San Francisco to San Jose project information line at: (510) 587-8640.

**CALIFORNIA HIGH-SPEED RAIL AUTHORITY**

**City of Palo Alto  
High-Speed Rail Project Information Meeting  
Thursday, February 26, 2009  
Mitchell Park Community Center (Main Hall)  
3800 Middlefield Road – Palo Alto  
7:00 – 9:00 pm**

In a follow up to the recent San Francisco to San Jose High-Speed Train (HST) Project Environmental Impact Report/Environmental Impact Statement (EIR/EIS) public scoping meetings conducted in Santa Clara County in late-January, the California High-Speed Rail Authority (Authority) is holding a HST project information meeting at the potential station location of Palo Alto to take comments and assess the benefits associated with having a station in the city.

The public information meeting will provide the same information presented by the Authority at the scoping meetings held in San Mateo, San Francisco and Santa Clara counties in late January. The format of the meeting will include an overview presentation, informational materials, and project exhibit boards. Project staff will also be available during the evening to respond to inquiries and collect public comments. Comments regarding the HST project and the station location will be subject to the same requirements as the other scoping meeting comments whereby any written comments must be submitted to the Authority by April 6<sup>th</sup>, 2009.

Public feedback regarding the HST Project can also be directed to the Authority by email (*Subject Line: "San Francisco to San Jose HST" at: [comments@hsr.ca.gov](mailto:comments@hsr.ca.gov)*) and transmitted in writing to the Authority (*Mr. Dan Leavitt, Deputy Director, ATTN: San Francisco to San Jose HST Project EIR/EIS, California High-Speed Rail Authority, 925 L Street, Suite 1425, Sacramento, CA 95814*) until the close of comments on April 6<sup>th</sup>, 2009.

For additional information regarding the meeting, please call the San Francisco to San Jose project information line at: (510) 587-8640.
